

# PLAN OF THE DAY

The Plan of the Day is an official document of the Alamo Battalion. Its contents reflect current orders of the Commanding Officer and official unit announcements. All Battalion personnel are responsible for reading and understanding the information contained herein. Parents and guardians of Cadets are encouraged to read the Plan of the Day and to make note of meeting days and special announcements that may affect personal schedules.

***“I promise to serve faithfully, honor our flag, abide by Naval Sea Cadet Corps Regulations, carry out the orders of the officers appointed over me, and so conduct myself as to be a credit to myself, my unit, the U.S. Naval Sea Cadet Corps, the Navy, the Coast Guard, and my country. (So help me God.)”***

**Navy Bight of History:** October 13, 1775. October 13 marks the birthday of the U.S. Navy, which traces its roots back to the early days of the American Revolution. On October 13, 1775, the Continental Congress established a naval force, hoping that a small fleet of privateers could attack British commerce and offset British sea power. Happy 248th Birthday Navy!
